App Store information: Concerns

December 2024

File name Concerns.csv

File description This file contains details related to any "report a concern" issues the user has raised regarding content reviews.

Why Apple keeps this information Apple retains this information in order to remove inappropriate reviews, improve overall review quality, and preserve the integrity of user provided content.

Field Name	Details
App Version	For App reviews, the version of the App to which the review is applicable
Concern Reference Number	Reference number for the user-reported concern
Concern Type	The type of concern (e.g., off-topic, offensive, etc.)
Created on	The time and date at which the user reported the concern
Device Identifier	Identifier for the device from which the concern was reported
Explanation	The user-provided explanation for the concern
IP Address	The IP address of the device from which the concern was submitted
Item Description	Name of the content to which the review is applicable
Item Reference Number	Reference number for the content to which the review is applicable
Item Type	The type of content to which the review is applicable (e.g., App, Podcast, Playlist, etc.)
Last Modified on	The time and date at which the concern last was modified
Overridden?	Whether the concern has been updated by the user
Provider Name	The provider of the content to which the review is applicable
Review Title	The title of the review for which the concern was reported
